

Report from India

Introductory text:

AMWI was delighted to meet virtually with Dr Mariam Jashi, MWIA Secretary-General who was in New Delhi. We have had a very active 3 months.

Full report:

It was a privilege and honour to welcome our Secretary-General to a virtual meeting organised by Drs. Mandakini Megh and Usha Saraiya on 19th November 2023. Dr. Mariam Jashi was in New Delhi for a high level meeting with a Global Group of Parliamentarians, and the Association of Medical Women in India (AMWI) took that opportunity to meet her virtually. Dr. Jashi was introduced to all the Executive Council Members of AMWI. Dr. Megh, President of AMWI gave a well-illustrated talk on the Past, Present and Future of AMWI. Each Branch also gave a resume of the work they are doing. We were happy that Dr. Darunee Buddhari the V.P. for Central Asia joined us and invited everyone to the 10th Central Asia Regional Conference in Bangkok 22-24 June 2024. Dr. Jashi informed us about her work with UNITE – Global Group of Parliamentarians and introduced us to Mr. Om, the Parliamentarian who was the host in New Delhi. Their work on Global Control of Sepsis is really commendable.
